## Declaration by SKG

This certificate is issued on the basis of BRL 3104: 1997 by SKG, in accordance with the 2006 SKG Regulations for Product Certification.

SKG declares that there is justifiable trust that the door and window furniture manufactured for or by the manufacturer and delivered under article numbers and logos as indicated on reverse side, meets the technical specification outlined in this product certificate upon continuation of this agreement. This is on the provision that they are fitted with the KOMO<sup>®</sup> marker as illustrated below in the manner prescribed in this product certificate and on the provision that the SKG anti-burglary security marker indicated above is indelibly applied on the products.

More information on the validity of this certificate and the fitting instructions for application can be found on [www.sterrenwijzer.nl](http://www.sterrenwijzer.nl).

# KOMO<sup>®</sup> Product Certificate

Anti-burglary door and window Furniture of SAVIO S.p.A  
Number: SKG 479.651.01

Issue date: 15-mrt-05

## BRANDS and IDENTIFICATION of the PRODUCT:

Products in accordance with this product certificate are identified by the indelible logo of the certificate holder, as well as by SKG's anti-burglary marker (comprising SKG's anti-burglary marker and fitted with a number of stars (\*), belonging to the anti-burglary class in question).

All this indicated as opposite.

And (for the purpose of deliveries to the professional market):

The unique article number of the product is either mentioned on the packaging, on the processing instructions, or on the accompanying product documents.

To this effect, the KOMO<sup>®</sup> marker is applied as indicated opposite.

Identification on products:

Identification on packaging, processing instructions or accompanying documents:

SAVIO S.p.A  
Certificate no 479.651.01

## 1. PRODUCT:

set of 2: 2-wing hinges, for the application inwards or outwards turning on aluminum facade.

## 2. TECHNICAL SPECIFICATION:

**Type:** 1 hinge consists of 2 parts, frame- / and wingpart  
**Operation/System:** adjustable hinge  
**Material:** frame- / and wingpart: painted or anodized aluminum; pen: stainless steel  
**Dimensions:** frame part: 45,5/49/52,5/78/85x35/45/51x40 mm; wing part: 75,5/78/83,5/85/92/96x35/51x40 mm  
**Attachment:** per share: 2 x M8 stainless steel 1-turn in zamak fitting anchor, dimension: 58x14x14 mm

## 3. DELIVERY

Products will be delivered completely, including processing instructions.  
Number of fitting instructions: 89010696-rev.0-014064+89010763-rev.0-009065 .

## 4. PERFORMANCES

A set of 2: 2-wing hinges in accordance with this product certificate meets all the relevant requirements of BRL 3104 and NEN 5089.  
A window or door, meant for newly built houses, in which a set of 2: 2-wing hinges is fitted in accordance with the processing instructions of the manufacturer complies with at least class 2 of NEN 5096, provided that:  
- wooden wall elements are delivered with KOMO Certificate with product certificate and meet publication 98-08 of SKH and the preconditions recited therein.  
- the (profile) system of which metal or plastic windows or doors are manufactured, is delivered with KOMO System Certificate for anti-burglary, in which the window or door to be delivered is included and the preconditions outlined in the Certificate are met.  
A window or door, meant for existing buildings, in which a set of 2: 2-wing hinges is fitted in accordance with the processing instructions of the manufacturer, meets the requirements of the Police Residential Security Warranty Veilig Wonen PKVW<sup>®</sup>, provided that the wall element complies with the "Guideline for standardised assembly for accessible wall elements" that is in force for the benefit of "PKVW – Existing Buildings".

## TIPS FOR THE CLIENT

- Inspect upon delivery of the door and window furniture supplied with this certificate if:
  - what has been supplied is as agreed;
  - the marker or logo of the certificate holder as well as the SKG's anti-burglary marker (comprising SKG's anti-burglary logo, with the number of stars, belonging to the anti-burglary class in question) are indelibly applied to the product.
  - the KOMO<sup>®</sup> marker is applied either on the packaging, on the processing instructions or on the accompanying product documents using the certificate number, as well as the unique product article number.
  - the products have no visible damage and/or defects as a result of transport or otherwise;
- If, on the grounds of the previous statements and/or of your own findings, you decide to reject the items, please contact:
  - SAVIO S.p.A
  - and if necessary:
    - SKG

## VALIDITY OF THIS PRODUCT CERTIFICATE

This product certificate is valid in so far as all the obligations bound herewith are met and in so far as the period of validity has, for whatever reason, not been terminated at an earlier date.  
Validity is cancelled in any case when:

- the certificate agreement is discontinued.
- the certificate is discontinued by one of the parties
- this certificate is issued on a more recent date.
- the expiry date mentioned on the front page is reached.

Users of this KOMO<sup>®</sup> Product Certificate are advised to inquire from SKG as to whether this document is still valid.
